

an exhibition by
Marta Dell'Angelo and Summer Mei Ling Lee

A collaboration between the Italian Institute of Culture (IIC)
and the Chinese Culture Center (CCC) of San Francisco

February 18, 2016 – 6:00pm to 8:00pm

Opening at IIC

601 Van Ness Avenue, San Francisco 94102

For the **opening event, Fragile**, Marina Pugliese and Abby Chen, Curator of the CCC, have paired a Milan-based artist with a San Francisco Bay Area native whose visual practices had enough similarities and differences to build an engaging dialogue and question the nature of artistic collaboration. Marta Dell'Angelo focuses her research on the relationships between the brain and the body. Summer Mei Ling Lee, explores images of her family as a prefiguring of the unknown.
